
pintuck pillow: pattern by *The Long Thread*

SUPPLIES:

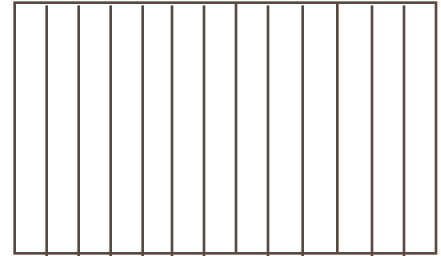

- 16" pillow form
- 1/2 yard pillow front fabric
- 1/2 yard pillow back fabric
- matching thread

Step ONE

Cut fabric to the following dimensions:

pillow front fabric: 18"x 24"

pillow back fabric: 18" x 10 1/2", 18" x 14 1/2"

Step TWO

Press pillow front every 2" (for 12 folds) with crease towards right side of fabric each time.

Step THREE

Sew along each crease with a 1/4" seam allowance.

Step FOUR

On pillow back piece, fold over one edge of a short side by 1/2", press in place. Then fold over 1" and press in place. Repeat with other fabric back piece.

Sew each one in place with 1" hem.

Step FIVE

Lay out your pieces to sew together in the following order:

- smaller back piece (right side up)
- larger back piece overlapping approximately 4" (right side up)
- pillow front (wrong side up)

Pin together and sew around all four edges, with a 1/2" seam allowance.

Turn right sides out and make sure your pillow fits. If it does, turn inside out once again and sew an overcasting or zig-zag stitch along the edges to prevent fraying.
